HC B AWARD 2023 LAUNCH OF THE CALL FOR ENTRIES ON 20 FEBRUARY 2023

The HCB Award, granted by the Fondation Henri Cartier-Bresson once every two years, supports the creation of an ambitious photography project. It is intended for a photographer who has already completed a significant body of work, close to the documentary approach. The candidate must be supported by a professional from the photography field (gallery, museum, publisher, media, independent curator, etc.).

The HCB Award provides 35,000 euros and is accompanied by an exhibition at the Fondation HCB and a publication of the project. The winner is selected by an international jury composed of seven prominent personalities of the art world.

The Fondation d'entreprise Hermès is the patron of the HCB Award.
